

The Dave Keller Band

Based in Montpelier, Vermont, The Dave Keller Band's reputation for dynamic, soul-stirring performances extends throughout New England. With over 1,000 shows to his credit, Dave Keller is a singer/guitarist who has forged a style uniquely his own -- intense and soulful, gritty and sweet.

Like the best blues and soul men before him, Keller learned his art firsthand from the masters: Mighty Sam McClain, Paul Rishell, Fontella Bass, and the late great Robert Ward. Most recently, Keller was featured as singer and co-writer on *Living in the Light*, the new CD by legendary guitarist Ronnie Earl.

The Dave Keller Band, features three of VT's top shelf musicians: Jan Schultz on Fender bass; Brett Hoffman on drums; and Ira Friedman on Hammond organ.
